

PeopleCert Scrum Product Owner

- Learn how to convert ideas into awesome products, faster and better than before!
- Get certified in one of the most in-demand and rising career paths!
- Choose between PeopleCert Scrum Product Owner I or II, depending on your career stage

Course overview - Scrum Product Owner I

Course overview - Scrum Product Owner II

Did you know?

81%

of organisations use Scrum (66%) or a Scrum hybrid (15%)

42%

of organisations lack the skills and experience to succeed with Agile

What will you learn?

This Certification will introduce you to Agile Project Management, Scrum and Value-Driven Product Management. You will understand the basics of Product Strategy, Vision, and Planning, learn the core skills of successful Product Owners, how to effectively work with Stakeholders and how to build and refine the Product Backlog. If you choose Scrum Product Owner II, you will additionally learn how to define the product vision and create a strategy by using objective criteria.
