✓ **Online Candidate Profile**

✓ **Web Proctoring**

✓ **e-certificate**

✓ **Online Certificate Verification**

PEOPLECERT e-services

➤ Online Candidate Profile

Candidates can create a profile at <https://candidate.peoplecert.org/>, where they can securely register for an exam, view their exam results and exam history anytime.

The Benefits:

For the candidate	For the training provider
■ Register online anytime, anyplace	■ Saves you time, as candidates register directly
■ Instant and secure access to your exam information and results	■ Eliminates registration and certificate shipping errors

➤ Web Proctored exams

For professionals who wish to take a web based exam with the convenience of their preferred location and time.

The Benefits:

For the candidate	For the training provider
■ Take your exam, using a laptop with a webcam, at home, at work, or almost anywhere you have internet access.	■ Flexible voucher ordering, so that you build your own training and exam packages
■ In simple steps, you connect to a trained proctor via web cam, take your exam, done!	■ Reach those 'virtual class' candidates. Simple!

➤ e-certificate

In addition to the hard copy certificates, PEOPLECERT candidates may view and download their e-certificate (in PDF format) by logging in their Online Candidate Profile.

The Benefits:

For the candidate	For the training provider
■ No need to wait for your hard copy certificate to verify your successful exam	■ Faster service for your candidates
■ Send your e-certificate electronically to potential employers	■ Avoid the hassle of delayed certificates

➤ Online Certificate Verification

Candidates, employers, recruitment agencies and third parties can check the validity of a certificate, through the PEOPLECERT website, by simply entering the certificate number.

The Benefits:

For the candidate	For employers, recruitment agencies & third parties
■ Verify your certificate details securely and accurately	■ Ensure the authenticity of a professional's certificate
■ Provide instant verification of your certificate to your employer, potential employer or recruitment agencies	■ Directly access any certificate details, saving time!

PEOPLECERT
